PREMIUM SNACKS

# It's NUTS how TASTY this is!

They say it's always snack o'clock somewhere in the world and our company, Hrib d.o.o., provides the most flavorful, colorful and healthy choices for people to indulge in, any time of the day. Our legacy in snack production is now well into its third decade. We're a family run business, providing tasty snacks to families throughout Europe – and beyond.

## We love what we do and how we do it.

High-quality products with characteristically rich nutritional value, a modern production line and skilled and engaged employees are the three pillars - people, product and production - at the heart of our culture of continuous improvement. We are certified according to the IFS food standard and Organic. We take great care in selecting the best raw materials from reliable suppliers that meet our criteria. Quality and safety standards have always been our top priority by which we strive to meet our customer's requirements.

## Open, and DISCOVER the full flavor of nature!

TASTY is a selection of high-quality roasted nuts & peanuts coated with seasoning made from real ingredients - real spices & herbs that are both visible to your eyes, felt on your fingertips and tasted on your taste buds - providing both a rustic look and authentic taste. We love to invent new and extraordinary recipes, providing our customers with a spark of curiosity.

## We can add any seasoning to any nut!

We're flexible, quick and effective. If you are looking to sell tasty nutty seedy snacks under your private label, we are the go-to company that can supply the exact snacks you're looking for - produced, packaged, sealed and delivered!

Please do not hesitate to contact us for more information and competitive offers!
